Clean and Beautiful

Parking - Do's and Don'ts

Parking vehicles properly within Lockridge Forest is important to the welfare of the neighborhood and one of the bigger issues to residents. To clarify requirements we will explain the "do's and don'ts":

Do park in your garage/carport, on a paved driveway or in the street (if not longer than 24 hours at a time.) Also, parking on a driveway requires that all wheels be on pavement.

Don't park in your yard or non-paved driveway (Gwinnett County's Ordinance ZR Article X, Section 1001, Paragraph 6 and in DeKalb County's Municipal Code 27-766), the street if the period is greater than 24 hours (Georgia Code 40-6-206), and the street in the direction of traffic (Georgia Code 40-6-200).

Although legal to park in the street, the Association preference is that residents park in the street as last resort. Please conform willingly to the "do's and don'ts", as it's the law too. Conformance leads to a more pleasant neighborhood with increased property values. Basically, it's a matter of showing respect for your neighbors.

COPS Program

Thank you to everyone who attended the March COPS meeting! Our speaker was Officer Richter who is the new police officer assigned to manage safety concerns of Lockridge Forest. He shared numerous safety tips on how to avoid being the victim of a robbery as well as other crimes. He was pleased to announce that there were only 15 police reports taken in Lockridge Forest over the last year. Of these, only 2 were break-ins, 2 were car break-ins and the rest were minor incidences such as traffic accidents.

Officer Richter manages over 20 subdivisions in our area of Gwinnett County. His job begins early in the a.m. attending court and writing reports. His afternoons will include monitoring his subdivisions and writing tickets. You will soon be seeing him regularly patrolling Lockridge. As entertaining & personable as he is, he means business when enforcing our speed limits and stop signs.

Graduating High School Seniors

If you have a graduating high school senior this year, we would like to put his or her name on the banners at both entrances this spring. Please contact Sherry Gottlieb at 770-698-8145 or felix54@bellsouth.net with the name of the senior, address and name of high school. Names must be submitted no later than **Friday, April 18th**.

The cake walk was a huge success thanks to Kim Walsh with nearly 25 beautiful cakes donated. In case you missed this event, the Civic Association is already planning even more fun activities for next years egg hunt!

Gwinnett County recently opened the West Gwinnett Park & Aquatic Center located at 4488 Peachtree Ind. Blvd., Norcross. The two-story aquatic center features a warm water instructional pool, a competition pool which includes a diving pool and an outdoor leisure pool. The park also includes two lighted multi-purpose fields and a 1/4-mile lighted walking track. This facility is only a few miles from Lockridge Forest and we encourage everyone to "check it out".
