### COPS Program

Save the Date! The annual C.O.P.S. meeting is scheduled for March 31 at 7:00pm at the Seigakuin International School on Winters Chapel Rd. Officer Jeffery Richter with the Gwinnett County Crime Prevention Unit will present new information on crimes happening in and near our community and will then take your questions. This is your chance to voice your concerns regarding the safety, speeding and stop sign issues happening in our neighborhood. We need your support convincing Officer Richter and the police department that Lockridge Forest needs more police coverage and attention than we have had in the past. Please make it a priority for your family to attend this meeting! **Remember to honor ALL stop signs and the speed limit of 25mph when driving through the neighborhood.**

Are you bothered by noise from planes going to and from Peachtree DeKalb (PDK) airport? Speak up and let them know that noise is impacting our neighborhood! Send an email to [pdknoise@co.dekalb.ga.us](mailto:pdknoise@co.dekalb.ga.us) and tell them you'd like to make a noise complaint. Give the time and date, and your address. Then, the next month, check out [www.pdkairport.org](http://www.pdkairport.org) and look under the noise section, in their monthly noise report, to see how many other complaints were received! You can also read more about the noise situation from two local action groups:

[www.pdkwatch.org](http://www.pdkwatch.org)

and [www.opendekalbinc.org](http://www.opendekalbinc.org)

Let's work together and make sure the airport knows that noise is an issue in our area. If we don't speak up now, it's only a matter of time before air traffic increases in our area, as well as bigger planes.

For more information, you can also email David Ziskind, LFCA VP DeKalb, at [vpdekalb@lockridgeforest.org](mailto:vpdekalb@lockridgeforest.org)
